## District Governor's Message

Greetings Fellow Lions, Lioness, and Leos!

In the words of our International President "How ya Doin? I'm doin good! With those words President Al sent off approx. 750 DG's from Bangkok on a mission. A mission to let the world know about the Everyday Lions who perform Miracles through Service.

Presidents Al's mission is to increase membership so there are more Lions performing these miracle. Major changes are being made at the International level beginning with a new mission statement "To empower volunteers to serve their communities, meet humanitarian needs, encourage peace and promote understanding through Lions clubs."

To achieve this goal each and every club will need to focus on increasing membership. The more active and energetic we are the easier it will be for us to attract new members. Increased membership needs to become the number 1 goal of clubs. My goal is to have every club in the District have a net increase of +1. To aid clubs in this endeavor International has formed a Global Membership Team. This team with work with State and District MERL Teams (Membership, Extension, Retention, & Leadership) to help our clubs gain and keep new members. On October 18 our District will hold a MERL Symposium at Batavia School for the Blind. Our State MERL Team will be on hand to provide us with tools to increase our numbers. I urge your membership chair and president & vice presidents to attend this program.

At the District level a group has been formed to examine ways we can help clubs help themselves. This committee will look at clubs that have been successful in the recruitment of new members and work with those clubs that are struggling to find ways to attract new members. Ideas that work will be shared with other clubs in our district and where help is required it will be provided.

My theme fits into this quest for new members. My Theme is "Hooked on Lions" I was talking with some Lions the other night the statement was made about how much fun Lions was. We need to keep making Lions fun so when new members come in they will share in our fun and become **hooked**. We also need to make these new members feel needed by getting them involved immediately. Once they're **hooked** they're members for life. I look forward to inducting many new members into our district.

Yours in Lionism,  
DG Terry

**Lions Code of Ethics**

- **To Show** my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.
- **To Seek** success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.
- **To Remember** that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.
- **Whenever** a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.
- **To Hold** friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one another, but that true friendship demands nothing but accepts service in the spirit in which it is given.
- **Always** to bear in mind my obligations as a citizen to my nation, my state, and my community, as to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.
- **To Aid** others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.
