District Governor's Message

Although you will be reading this article in July, I am actually writing it in on June 18th as tomorrow I will be leaving to fly to the International Lions Convention and become your official District Governor. I will be returning on July 3rd.

The past month has been like a whirlwind with attending club installations, working on my cabinet, packing and also doing pre-class assignments for the District Governor's school in Hong Kong. I am thrilled with the opportunity to not only visit China but also to learn all I can to accomplish the goals of our organization.

In the May issue of Roaring 20 E 1, I outlined my goals for the year. To accomplish these goals I would like to:

1. Bring team work between all lions clubs, both men and women. Please arrange visitations between at least three clubs in your area to get to know each other and share ideas about projects, memberships and most of all fun.

2. I would like our district to adopt a visual screening project to identify sight problems in pre school age children. MD 20-E-2 has a very successful one going.

3. I will challenge our MERL team to work "together" on a plan to gain members and increase leadership knowledge.

4. I would like to see fill my in my cabinet with some new faces. Any member who would like to become part of the great team or a committee chair, please step forward and contact me. Remember all lion members are welcome to attend a meeting anytime without commitment.

Presidents, now is the time for you to set your goals for your year. In order to have success the first step is to identify the need, then set a goal. This is followed by planning the action which will help to attend that goal. Remember all goals must be attainable and have a time set for completion. There are several past presidents and District Governors willing to help. Just ask...

I look forward to meeting you all. I am setting up my visitation schedule and will be contacting you soon.

NOVEMBER 5, 2005
MD 20 E- 1 Sub District
Convention.

Mark your calendars.
It will be entertaining
and very different.

The end of the year has arrived for your 2004-2005 District Governor

To all the great lions of District 20E1, thank you from us both, Pete and Nancy, for a wonderful year. You have made the year a spectacular experience and joy. Our District is one of the best in the State.

Did we meet all our goals? No, not totally? We did not form a new club or increase our membership. We are down over 80 lions since the start of the lion year. We took a good look at each club membership roster and brought them up to date with Lions International's rosters accurate record keeping is a very important part of being a club secretary. This is not to say that that we didn't have new lions inducted, we did.

Financially we did well this year. Changing the newsletter to an email format and having all the clubs pay for the first 6 months of hard copies appears to be working.

Thank you to all the clubs for paying your dues. Our Sub District Convention was a success in meeting our goals and budget. The State Convention (one of the best ever) broke even. Governor's expenses were within budget. Cabinet meetings were a little over on the lunch cost and we need to look at this for the next budget. Not all the bills are in, but it looks as if we will be in the black at the end of the year.

Senior Leadership Institute at USA Canada Forum

Lions Club International is offering a Senior Leadership Institute at the Forum in Sept this year. This is one of the best leadership training programs offered by anyone. It applies to your everyday life, work and then Lions. We have many Emerging Leadership Institute graduates, so please think about attending the next level of training. I have the applications and also am glad to answer any questions about the programs. Remember, the USA/Canada Forum is close to home this year. It is being held in Peoria, Illinois.

Churchville Lions working on the Uplinger Building at Camp Badger (see photos at right)

The Churchville Lions continue to work on their building. This year the lions have been refinishing the interior walls and installs new insulated glass doors on the sides of the building. Our next big undertaking will be replacing the building's roof.

Again thank you to everyone in the District and a special thank you to the Churchville Lions Club. It has been our privilege to serve as your District Governor and Partner In Service.

PDG Pete and Lion Nancy

Fun Run and Charity "Trim" in Churchville

The Churchville Lions Club will sponsor a 5K Fun Run/Walk/Roll on Sunday, Aug. 21st, as part of the Churchville Lions Country Fair. The proceeds of the 5K will benefit Lion Jim Rieflin, a longtime member of the Churchville Lions Club. Lion Jim is undergoing treatment for cancer at the Pluta Cancer Center.

The cost will be \$10 adults, \$5 children under 16, and \$25 for a family of 4 or more. Anyone able to collect pledges of \$50 or more will receive a free chicken BBQ the day of the race. Please contact Lion Jim Lamica 585-293-1271, Lion John Rabideau 585-293-3875 or Lion Bob DeNormand 585-293-3345 for more information.

Following the 5K, Lion Jim Lamica will give other Lions a "trim." A few members of the Churchville Lions Club have volunteered to let Lion Jim polish up on his barbering skills. These Lions will let Lion Jim cut their hair, beards or mustaches if he can raise a certain amount of donation money. All proceeds from he cuts will also benefit Lion Jim Rieflin.

Lion Bill Keidel will lose his mustache that he has worn for 30 years for \$500 in donations with an extra \$100 worth of donations for a hair "cut."

PDG Peter Neidrauer will get a hair "cut" for \$100.

Lion Tim Rowe will get a hair "cut" and beard shave for \$250.

Last but not least, **PID John Rabideau** (Silver Fox), will get a hair "cut" for \$350.

We hope that anyone wishing to donate so that these fellow Lions can get a free hair "cut" will do so knowing that it will help a fellow Lion. Anyone wishing to make a donation, please make checks payable to the **Churchville Lions Club** and send to **Lion Jim Lamica 802 Bromley Road Churchville, NY 14428.**
