child to Camp Hope; \$275 to the Salvation Army to send a child to Long Camp Point; \$350 to sponsor a team in the Batavia Little League; \$190 to the Girls' Fastpitch Softball League; \$100 to sponsor a hole in the George Phillips Memorial Golf Tournament and \$50 to the Genesee Area Lacrosse Club. The Club also scheduled a work day to rebuild the steps into the Hospice building in Batavia.

## A Message from our District Governor Elect

Hello Fellow Lions,

I wanted to let you know that two weeks ago I was contacted by a lady from Webster that stopped at our Lion Club Display and picked up information on the Lions Clubs. She looked at all the information and then contacted me stating she was interested. I referred her name to Lion Ken Lafferty, President of the Webster Club since she lived in Webster.

I have been invited to the Webster Lions Club Meeting on May 22 when we will be Inducting Joyce into the Webster Lions Club!!

Thank you again for all your help and support. It just goes to show that a little PR truly makes a difference! We did it together.

Another note: LuAnn has just been diagnosed with Glaucoma. At the Irondequoit Lions Club Pancake Breakfast one of our club Eye Doctors did free screenings. LuAnn was due for one but going to wait until later this summer, we found out that she already has a bit of damage to her right eye optic nerve, if we waited it could have been too late!!

When we went to the specialist, Dr. Seager I talked to him about how we found out. He told me that this past year he went on a Mission with the Indiana Lions Club. I asked him if he ever thought of joining Lions Club. HE STATED HE WAS NEVER ASKED!

He lives in Penfield and was interested in the Penfield Club. I contacted Lion Phil Schaefer from the Penfield club with the information telling him that Dr. Seager would like to Join Their Club! Phil laughed, he is his eye doctor also!!

I will be sponsoring Dr Seager into the Penfield Club! These two prove we need to get our word out more. Publicize and Ask!!

God Bless You All,  
YTIL,  
JoAnn

## 20E1 Work Weekend at Lions Camp Badger

The weather was great for our work weekend! I would like to thank the following clubs who had members attend the work weekend at Lions Camp Badger:

**Churchville  
Greece Ridge  
Hilton**

**Clarendon  
Hamlin  
Kendall**

Not only did we have Lions working, but their partners also helped. Our project this year was the Lake House. We trimmed the windows and stained the outside and by the end of Saturday we had more than half done. Nothing stopped our workers not even the bee's or the hot sun. And let me tell you it looks great! After dinner fun was had by all at the euchre party. Through your hard work and dedication we accomplished a lot over the weekend.

Thanks for your support in making this weekend a success!
